

flowprofiler® interpreter training | level 1 | giving feedback

What you can expect:

This 3 hour virtual workshop is fun, interactive and filled with opportunities for you to practice. Your fully certified facilitator will lead your session and provide you with a complete digital workbook to support your learning.

Objectives:

- ☆ To ensure responsible and fair use of the flowprofiler® assessments and reports.
- ☆ To adhere to the British Psychological Society's (BPS) standards and guidelines.
- ☆ To develop competent flowprofiler® interpreters.

You will learn:

- ☆ About the spirit of flowprofiler®.
- ☆ Uses for the flowprofiler® assessments in development and recruitment.
- ☆ The variety of assessments and reports available to you.
- ☆ The scale and measurement of the flowprofiler® assessments.
- ☆ The research and validation that underpins flowprofiler® assessments.
- ☆ How to feedback flowprofiler® assessments.
- ☆ The critical steps in a feedback session.
- ☆ Policies, privacy and fairness.

Who is this training for?

Anyone feeding back or using the flowprofiler® assessments and reports in recruitment and/or development.

Pre-requisites:

You will have completed a flowprofiler® assessment and have had your results fed back to you by a trained interpreter.

You will need to:

- ☆ bring a flowprofiler® sample report or your development report.
- ☆ have signed a flowprofiler® interpreter agreement.
- ☆ have access to your workbook.
